

## AWARDS

### Call for Nominations

#### Henry B. Linford Award

Nominations are now being solicited for the Society's Henry B. Linford Award for Distinguished Teaching. The eleventh presentation of this award will be made at the 2002 fall Society meeting in Salt Lake City, Utah.

The recipient shall be distinguished for excellence in teaching in subject areas of interest to the Society. The award consists of a silver medal, a wall plaque, and a cash prize at \$2,500.

Nominations for this award must be accompanied by supporting documents such as a biography; list of recent courses taught; list of publications, including any textbooks; professional activities; list of former students and their affiliations; and other appropriate supporting materials. Letters of support by distinguished colleagues and former students are also encouraged.

To obtain a nomination form, contact the subcommittee chairman or ECS headquarters. Please send eight copies of the nomination form and all documents to: N. Oyama, Department of Applied Chemistry, Tokyo University of Agriculture and Technology, 2-24-16 Naka-ko, Koganei, Tokyo, Japan 184-8588, tel: 81.42.388.7041, fax: 81.42.383.4719, e-mail: oyama@cc.tuat.ac.jp.

Nominations must be received by September 1, 2001.

#### Thomas D. Callinan Award

Nominations are solicited for the 2001 Thomas D. Callinan Award, to be presented at the Society's Centennial Meeting (spring 2002). This award, established in 1967, is given each year by the Dielectric Science and Technology Division to encourage excellence in research, the publication of quality technical papers, and other outstanding contributions in the field of dielectric science and technology. The award, open to both members and non-members of the Society, consists of a plaque and \$1,500.

DS&T Division members are urged to give careful consideration to nominating possible candidates for this award. Nominations, accompanied by supporting documents such as a biography, list of publications and patents, and a brief summary of outstanding contributions, should be mailed to the award chairman: D. Misra, Dept. of Electrical and Computer Engineering, New Jersey Institute of Technology, University Heights, Newark, NJ 07102, tel:
