

ECS Institutional Members (Number in parentheses indicates years of membership)

The Electrochemical Society values the support of our institutional members. Institutional members help ECS support scientific education, sustainability and innovation. ECS recognizes their incredible work and generosity. Through ongoing partnership, ECS will continue to lead as the advocate, guardian, and facilitator of electrochemical and solid state science and technology.

Benefactor

Asahi Kasei E-Materials Corporation (6) *Chiyoda-Ku, Japan*

Bio-Logic USA *Knoxville, TN, USA*, **Bio-Logic SAS (6)** *Claix, France*

Duracell (57) *Bethel, CT, USA*

Gelest Inc. (5) *Morrisville, PA, USA*

Hydro-Québec (7) *Varennes, Canada*

Industrie De Nora S.p.A. (31) *Milano, Italy*

Saft Batteries, Specialty Battery Group (32) *Cockeysville, MD, USA*

Patron

AMETEK – Scientific Instruments (33) *Oak Ridge, TN, USA*

Dow Chemical Company (73) *Midland, MI, USA*

Energizer (69) *Westlake, OH, USA*

El-Cell (1) *Hamburg, Germany*

Faraday Technology, Inc. (8) *Clayton, OH, USA*

Gamry Instruments (7) *Warminster, PA, USA*

IBM Corporation (57) *Yorktown Heights, NY, USA*

Panasonic Corporation (7) *Osaka, Japan*

Pine Research Instrumentation (8) *Durham, NC, USA*

Scribner Associates Inc. (18) *Southern Pines, NC, USA*

Technic, Inc. (18) *Providence, RI, USA*

Sponsoring

Axiall Corporation (19) *Monroeville, PA, USA*

Ballard Power Systems, Inc. (30) *Burnaby, BC, Canada*

C. Uyemura & Co., Ltd. (18) *Osaka, Japan*

Central Electrochemical Research Institute (21) *Tamilnadu, India*

EaglePicher Technologies, LLC (7) *Joplin, MO, USA*

Electrosynthesis Company, Inc. (18) *Lancaster, NY, USA*

GS-Yuasa International Ltd. (34) *Kyoto, Japan*

Honda R&D Co., Ltd. (7) *Tochigi, Japan*

Lawrence Berkeley National Lab (10) *Berkeley, CA, USA*

Medtronic, Inc. (34) *Minneapolis, MN, USA*

Metrohm Autolab (8) *Utrecht, Netherlands*

Metrohm USA (8) *Westbury, NY, USA*

Next Energy EWE – Forschungszentrum (6) *Oldenburg, Germany*

Nissan Motor Co., Ltd. (7) *Yokosuka, Japan*

Occidental Chemical Corporation (72) *Dallas, TX, USA*

Permascand AB (11) *Ljungaverk, Sweden*

Quallion, LLC (14) *Sylmar, CA, USA*

Sandia National Laboratories (38) *Albuquerque, NM, USA*

TDK Corporation, Device Development Center (21) *Narita, Japan*

Teledyne Energy Systems, Inc. (15) *Sparks, MD, USA*

TIMCAL Ltd. (27) *Bodio, Switzerland*

Toyota Central R&D Labs., Inc. (34) *Nagoya, Japan*

Yeager Center for Electrochemical Sciences (16) *Cleveland, OH*

ZSW (10) *Ulm, Germany*

Sustaining

3M Company (25) *St. Paul, MN, USA*

Co-Operative Plating Company, (3) *St. Paul, MN, USA*

General Motors Research Laboratories (62) *Warren, MI, USA*

Giner, Inc./GES (27) *Auburndale, MA, USA*

International Lead Zinc Research Organization (35) *Durham, NC, USA*

Kanto Chemical Co., Inc., (2) *Soka City, Saitama, Japan*

Leclanche SA (29) *Yverdon, Switzerland*

Los Alamos National Laboratory (6) *Los Alamos, NM, USA*

Mitsubishi Heavy Industries, Ltd. (1) *Nagasaki, Japan*

PEC North America (10) *Boca Raton, FL, USA*

Reagent (2) *Runcorn, Cheshire, England*

SolviCore GmbH & Co. KG (1) *Hanau-Wolfgang, Germany*

Please help us continue the vital work of ECS by joining as an institutional member today. To join or discuss institutional membership options please contact Christie Knef, Development Manager, at 609.737.1902 ext. 121 or christie.knef@electrochem.org.
