

**The Electrochemical Society Canadian Section Canadienne**

**Student Travel Award Application**

The Canadian Section of the ECS offers a limited number of travel awards to help students with the cost of travel to Canadian Section symposia. Eligible students must be enrolled in a postgraduate program or the upper years of an undergraduate degree program and must be presenting a poster at the meeting. Up to three student travel grants will be awarded for a total of up to three hundred dollars per meeting.

To apply for a travel grant, download and **complete this application form and send it to the current Chairperson of the Canadian Section** (see <http://www.electrochem.org/sections/canadian.htm#officers>). The form must be accompanied by a letter of recommendation from an involved faculty member, the student's curriculum vitae and the student's meeting abstract (400-600 words). The faculty member is expected to comment on the quality of the student's work, the student's ability to perform research independently, his/her enthusiasm and creativity and academic performance. The complete application must be received no later than one month prior to the meeting for which a travel grant is sought.
