229th ECS MEETING

May 29 – June 3, 2016 • Hilton San Diego Bayfront & San Diego Convention Center

SAN DIEGO

General Meeting Information

Introduce your organization to thousands of scientific leaders this May when they gather together in San Diego for the 229th ECS Meeting. As an ECS sponsor or exhibitor, you will have the unique opportunity to present your products and services to key constituents from around the world.

Every ECS Meeting is a forum for sharing the latest scientific and technical developments in electrochemistry and solid state science and technology. Scientists, engineers and industry leaders come from around the world to attend the technical symposia, poster sessions, panel discussions, professional development workshops, special summits, and networking and social events offered at our meetings. This upcoming meeting in San Diego is already gearing up to be an important and energizing get-together.

Become an ECS event sponsor or exhibitor and put your organization right in front of the leading members of the scientific community. Held at the Hilton San Diego Bayfront & San Diego Convention Center, the 229th Meeting contains a full range of technical symposia and is expected to attract over 1,800 scientists and engineers from industry, government and academic institutions.

By partnering with ECS as an exhibitor or sponsor, you will be supporting scientific innovation, education and advancement!

General Meeting Sponsorship Packages

ECS events bring together practitioners and thought leaders in the field of electrochemistry and solid state science and highlight emerging trends and best practices throughout the world. We welcome support in the form of general meeting sponsorship at the platinum, gold, silver and bronze levels. We also offer special and exclusive sponsorship options, available on the following page.

Meeting Sponsorship Packages

ECS Sponsors may select any number of additional sponsorship packages. Pricing and benefits for these sponsorship packages correspond to the general sponsorship levels noted on page 2.

Special Event Sponsorship Options

Student Mixer Platinum, Gold, Silver and Bronze

The Student Mixer is a featured invitation-only event at every ECS meeting. Students from around the world meet and mingle with distinguished Society members, industry leaders and fellow

students. Support this important networking opportunity and fun night for students! Every student mixer attendee will receive a free T-shirt with your company name and logo featured prominently on it. Plus, your organization will be honored in email blasts and on event signage. Platinum sponsors may send three attendees to the mixer, Gold sponsors may send two and Silver sponsors may send one.

Contributors Reception Platinum, Gold, Silver and Bronze

Sponsors, exhibitors and other key ECS contributors will meet and greet at the Contributors Reception. Attendees reconnect with old friends and colleagues, make new acquaintances and generally unwind before the meeting begins in earnest. Your organization's logo will appear on signage at the reception and on the cocktail napkins provided with the food and beverages.

Custom Branded Event—NEW! Platinum

Add a unique touch to the San Diego meeting by hosting a custom event. From sunrise yoga to an evening desserts reception — ECS will help you plan and coordinate an event of your choosing. The event will be branded with your logo, and you will have the opportunity to present to event participants. Please note, this option is limited to three sponsors. **If you would like to take advantage of this option, please contact Casey Emilius by February 12, 2016 to begin planning.**

Limited Sponsorship Options

Evening Poster Session Gold

ECS poster sessions are always the talk of the meeting! Support researchers and scientists by helping fund the venue for these presentations, where the best and the brightest in the sciences get together during Tuesday and Wednesday evening. Sponsors will be recognized on signage at the poster session, on the poster board numbers and acknowledged during the student poster award announcements.

Meeting E-Blast—SOLD Gold

Connect with thousands of meeting attendees and decision makers through our daily e-blast. Your banner ad will be included in the daily e-blast to all attendees. ECS will also help you schedule a customized email before or after the meeting with a tailored message from your organization.

ECS Meeting App Silver

Place your company's message right at meeting attendees' fingertips with banner ad placements on the mobile meeting app. Your banner will rotate into view every 3 to 5 seconds and link directly to your company's website.

Exhibitor Workshops Silver

Showcase and demonstrate your products during a one-hour exhibitor workshop on the exposition floor. ECS will help market this complimentary program to meeting attendees. *Please note, this offer is limited to six exhibitors.*

Coffee Breaks Bronze

Get noticed in well-trafficked areas of the meeting by sponsoring a morning coffee and soft drink break. Your company's logo will be featured on

beverage napkins and signage at coffee break stations throughout the week.

Exclusive Sponsorship Options

Plenary Session

Platinum

Stand out as the exclusive sponsor of the 229th ECS Meeting Plenary Session! As the plenary session sponsor, your organization will be introduced by the ECS President from the podium and visible signage featuring your organization's logo will welcome attendees into the plenary session. You will also receive a limited opportunity to make brief remarks at the session to an audience of several hundred attendees.

Tech Connect

Platinum

Your logo(s) will be featured on signage and as the screen saver and wallpaper at each computer station at the onsite internet café and electronics charging station. We will also use your company name as the wireless network name for added visibility.

Meeting Bag

Platinum

Put a meeting bag in the hands of the most important researchers and decision makers in your field, and your company will be seen all over town! The meeting bag, with your company's logo featured front and center, will be distributed to all registrants. The reusable eco-friendly bags let your company support the sustainability of the planet while ensuring continued visibility of your brand well into the future.

Meeting Abstracts USB

Platinum

Meeting attendees will be provided with custom USB drives with meeting abstracts on-site, branded with your organization's logo.

Meeting Badge Lanyard

Gold

Sponsor the meeting badge lanyard and ensure that your company is noticed around San Diego for days! Your company's logo will be featured on the nametag lanyard, which you can help select. Please note, the sponsor is responsible for the lanyard cost.

Meeting Pen

Gold

When meeting attendees reach for a pen to jot down an e-mail address or the name of a particularly good speaker, they will be reaching for one with your logo on it.

Every meeting registrant will receive the branded pens at registration, and additional pens will be available at select locations throughout the meeting.

Symposia Sponsorship Packages

In addition to our general meeting sponsorship packages, ECS offers symposia sponsorship. Sponsor a technical symposium and support the travel expenses and registration fees of invited speakers, students and researchers with limited financial resources. You may sponsor a symposium at the platinum, gold, silver or bronze level. The table below provides pricing and benefit details. *Please note, the benefits for symposia sponsors differ from those assigned to general meeting sponsors.*

- A02 — Future and Present Advanced Lithium Batteries and Beyond – a Symposium in the Honor of Prof. Bruno Scrosati
- A03 — Large-Scale Energy Storage 7
- A04 — Battery Modeling and Computation
- A05 — Electrochemistry and Batteries for Safe and Low-cost Energy Storage

B — Carbon Nanostructures and Devices

- B01 — Carbon Nanostructures for Energy Conversion
- B02 — Carbon Nanostructures in Medicine and Biology
- B03 — Carbon Nanotubes - From Fundamentals to Devices
- B04 — Endofullerenes and Carbon Nanocapsules
- B05 — Fullerenes - Chemical Functionalization, Electron Transfer, and Theory
- B06 — Graphene and Beyond: 2D Materials
- B07 — Inorganic/Organic Nanohybrids for Energy Conversion
- B08 — Porphyrins, Phthalocyanines, and Supramolecular Assemblies
- B09 — Engineering Carbon Hybrids - Carbon Electronics 2

C — Corrosion Science and Technology

- C01 — Corrosion General Session

D — Dielectric Science and Materials

- D01 — Dielectrics for Nanosystems 7: Materials Science, Processing, Reliability, and Manufacturing -and- Solid State Topics General Session
- D02 — Chemical Mechanical Polishing 13
- D03 — Dielectrics for Interconnect, Interposers, and Packaging 2
- D04 — Thermal and Plasma Processes for Materials (or Nanomaterials) Synthesis and Processing

E — Electrochemical/Electroless Deposition

- E01 — Electrophoretic Deposition
- E02 — Three-Dimensional Electrodeposition and Electroless Deposition

F — Electrochemical Engineering

- F01 — Industrial Electrochemistry and Electrochemical Engineering General Session
- F02 — Engineering the Interface between Catalysis and Electrocatalysis

G — Electronic Materials and Processing

- G01 — More-than-Moore 3
- G02 — Silicon Compatible Materials, Processes, and Technologies for Advanced Integrated Circuits and Emerging Applications 6

H — Electronic and Photonic Devices and Systems

- H01 — Wide Bandgap Semiconductor Materials and Devices 17
- H02 — Solid-State Electronics and Photonics in Biology and Medicine 3
- H03 — Properties and Applications of 2-Dimensional Layered Materials

I — Fuel Cells, Electrolyzers, and Energy Conversion

- I01 — State-of-the-Art Invited Tutorials on Model/Experiment Coupling in Low Temperature Fuel Cells
- I02 — Ionic and Mixed Conducting Ceramics 10
- I03 — Hydrogen and Oxygen Evolution Catalysis for Water Electrolysis 2
- I04 — Mechano-Electro-Chemical Coupling in Energy Related Materials and Devices 2
- I05 — Heterogeneous Functional Materials for Energy Conversion and Storage

K — Organic and Bioelectrochemistry

- K01 — 12th Manual M. Baizer Memorial Symposium on Organic Electrochemistry
- K02 — Bioelectrochemistry: Analysis and Fundamental Studies

L — Physical and Analytical Electrochemistry, Electrocatalysis, and Photoelectrochemistry

- L01 — Physical and Analytical Electrochemistry, Electrocatalysis, and Photoelectrochemistry General Session
- L02 — Electrocatalysis 8
- L03 — Biological Fuel Cells 7
- L04 — Convocation on Chemically Modified Electrodes and Electroactive Polymers
- L05 — Supramolecular Materials

OFFICIAL EXHIBIT TERMS OF PARTICIPATION

- 1) This exhibit supplements the 229th ECS Meeting. Exhibitors are expected to present their products and/or services with awareness of the technical needs of the meeting attendees. ECS reserves the right to deny any applicant who is unlikely to contribute to the overall objectives of the meeting.
- 2) Exhibitor must authorize an official on-site representative to be responsible for its booth. The representative shall be authorized to enter into such contracts as may be necessary to ECS and other contractors and subcontractors. At least one representative must be at the booth during all official exhibit hours.
- 3) Exhibitors will receive a registration form closer to the meeting to designate free full (1) and exhibit-only (2) registrations. Each additional exhibit-only registration will cost \$30.00. Literature display tables are unstaffed tables.
- 4) Exhibitor assumes responsibility and agrees to indemnify and defend ECS and the San Diego Convention Center and their respective owners, managers, subsidiaries, affiliates, employees and agents against any claims or expenses arising out of the use of the exhibition premises.
- 5) The Exhibitor understands that neither ECS nor the venue contracted to host the exhibit maintain insurance covering the Exhibitor's property, and it is the sole responsibility of the Exhibitor to obtain such insurance.
- 6) Exhibitors cancelling after Sept. 4, 2015 will incur a 50% cancellation fee.
