**8. Self-nomination letter**—In a separate document, please briefly state your career/research objectives and specify your research interests. This information must be saved in PDF format and be **no longer than 250 words**. Upload to “Nomination Letter” under “Documents” in the online award submission system.

**9. Additional documentation**—In a separate document, give a brief statement of your current research including objectives, work already accomplished, and work planned for the summer. It is important that the project that will be completed during the period of the fellowship is clearly identified. Also, please indicate why you believe your research should be of interest to ECS. This information must be saved in PDF format and be **no longer than 2,000 words**. Upload to “Additional Documents” under “Documents” in the online award submission system.

Please save this nomination form. All supporting materials should be submitted in English using the online awards submission system at [www.electrochem.org/submitaward](http://www.electrochem.org/submitaward). Select “Society Awards” under “Award Type” and then select “ECS Colin Garfield Fink Summer Fellowship” from the pull-down menu.

For questions, please e-mail [education@electrochem.org](mailto:education@electrochem.org).

DEADLINE FOR RECEIPT OF COMPLETED APPLICATIONS AND SUPPORTING MATERIAL IS **JANUARY 15**.
