

Call for Nominations

For details on each award, including a list of requirements for award nominees, and in some cases, a downloadable nomination form, please go to the ECS website (www.electrochem.org) and click on the "Awards" link. This will take you to a general page that will then lead to the individual awards.

The awards are grouped in four categories: Society Awards, ECS Division Awards, Student Awards, and ECS Section Awards. Click on one of these sub-links to find the individual award. Please see each for information about where nomination materials should be sent; or you may contact the ECS headquarters office by using the contact information on the awards Web page.

For student awards, please see the Student News Section in this issue.

Visit www.electrochem.org and click on the "Awards" link.

ECS Awards

The award of **ECS FELLOW** was established in 1989 for individual contribution and leadership in the achievement of science and technology in the area of electrochemistry and solid state sciences and current active participation in the affairs of ECS, and consists of a scroll, lapel pin, and announcement in a Society publication. Nominations are being accepted for the 2015 class of Fellows, which will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to *Fellows Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by February 1, 2015.**

The **VITTORIO DE NORA AWARD** was established in 1971 for contributions to the field of electrochemical engineering and technology. The award consists of a gold medal, wall plaque, life membership in the Society, complimentary meeting registration at the meeting to accept the award, and a prize of \$7,500. The next award will be presented at the ECS spring meeting in San Diego, California, May 29-June 3, 2016.

Nominations and supporting documents should be sent to *deNora Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 15, 2015.**

The **HENRY B. LINFORD AWARD FOR DISTINGUISHED TEACHING** was established in 1981 for excellence in teaching in subject areas interest to the Society. The award consists of life membership in the Society, a silver medal, wall plaque, complimentary meeting registration at the meeting to accept the award, and a prize of \$2,500. The next award will be presented at the ECS spring meeting in San Diego, California, May 29-June 3, 2016.

Nominations and supporting documents should be sent to *Linford Medal*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 15, 2015.**

Division Awards

The **BATTERY DIVISION RESEARCH AWARD** was established in 1958 to recognize outstanding contributions to the science and technology of primary and secondary cells and batteries and fuel cells. The award consists of a scroll, a prize of a \$2,000, travel assistance to the meeting if required, and membership in the Battery Division for as long as the winner is an ECS member. The next award will be presented at the ECS fall meeting Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to *Battery Research Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by March 15, 2015.**

AWARDS

The **TECHNOLOGY AWARD OF THE BATTERY DIVISION** was established in 1993 to encourage the development of battery and fuel cell technology. The award consists of a scroll, prize of \$2,000, travel assistance to the meeting if required, and membership in the Battery Division for as long as the winner is a Society member. The next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to *Battery Technology Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by March 15, 2015.**

The **CORROSION DIVISION H. H. UHLIG AWARD** was established in 1972 to recognize excellence in corrosion research and outstanding technical contributions to the field of corrosion science. The award consists of a scroll, prize of \$1,500, and travel assistance to meeting of award presentation (if required). The next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to *Corrosion Uhlig Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by December 15, 2014.**

The **ELECTRODEPOSITION DIVISION RESEARCH AWARD** was established in 1979 to recognize recent outstanding achievements or contributions in the field of electrodeposition. The award consists of a scroll and a prize of \$2,000. The next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Submit nominations in a letter detailing the accomplishments of the nominee accompanied by a list of supporting publications with titles to Attn: *Electrodeposition Research Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 1, 2015.**

The **J. B. WAGNER, JR. AWARD OF THE HIGH TEMPERATURE MATERIALS DIVISION** was established in 1998 to recognize a young member of the Society who has demonstrated exceptional promise for a successful career in science and technology in the field of high temperature materials. The successful nominee shall be: (1) a member of the Society in good standing for at least two years prior to the date of nomination, and (2) not yet reached their thirty-sixth (36th) birthday by the close of nomination (have a birthdate on or after January 1, 1977). The award consists of a scroll, a prize of \$1,000, and travel assistance (if needed) to the meeting where the award presentation will take place. The next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to *HTM Wagner Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by January 1, 2015.**

The **MANUEL M. BAIZER AWARD OF THE ORGANIC AND BIOLOGICAL ELECTROCHEMISTRY DIVISION** was established in 1992 for outstanding scientific achievements in the electrochemistry of organics. The award consists of a scroll, a prize of \$1,000, and travel assistance (if needed) to the meeting where the award presentation will take place. The next award will be presented at the ECS spring meeting in San Diego, California, May 29-June 3, 2016.

Nominations should include a copy of the nominee's curriculum vita, plus a maximum of 12 pages consisting of a letter of nomination, a brief biological sketch that can be included with the award announcement, and no more than three supporting letters. No individual may write in support of more than one candidate. The materials should be sent (preferably in electronic form) to *OBE Baizer Award*, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by January 15, 2015.**

The **MAX BREDIG AWARD IN MOLTEN SALT AND IONIC LIQUID CHEMISTRY OF THE PHYSICAL AND ANALYTICAL ELECTROCHEMISTRY DIVISION** was established in 1984 to recognize excellence in molten salt chemistry research and consists of a scroll and a prize of \$1,500. The next award will be presented at the PRIME meeting in Honolulu, Hawaii, October 9-14, 2016.

Nomination materials and award form may be found by visiting the award webpage on the ECS website at http://www.electrochem.org/awards/division/division_awards.htm#q. Completed nominations and supporting documents should be sent to *PAED Bredig Award* c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by March 1, 2015.**

Travel Grants

Several of the Society's Divisions offer travel assistance to students and early career professionals presenting papers at ECS meetings. For details about travel grants for the 227th ECS meeting in Chicago, Illinois, please see the Chicago Call for Papers; or visit the ECS website: www.electrochem.org/student/travelgrants.htm. Please be sure to click on the link for the appropriate Division as each Division requires different materials for travel grant approval prior to completing the online application. You must submit your abstract and have your abstract confirmation number in order to apply for a travel grant. Apply for travel grants using the online submission system (links found on the travel grant web page). If you have any questions, please email travelgrant@electrochem.org. **The deadline for submission for spring 2015 travel grants is January 1, 2015.**
