Call for Nominations

Vittorio de Nora Award

The Honors and Awards Committee is soliciting nominations for the Vittorio de Nora Award in Electrochemical Engineering and Technology. This award will be presented at the spring 2004 meeting of the Society in San Antonio, Texas, at which time the recipient will deliver an award address on a subject related to the contributions for which the award was received.

The recipients shall be distinguished for outstanding contributions to electrochemical engineering and technology. The award consists of a gold medal, a wall plaque, and a cash prize of \$7,500.

This is one of the Society's most prestigious awards, and all members are urged to give serious consideration to nominating possible candidates. Nomination forms are available from ECS headquarters or the subcommittee chairman: Gautam Pillay, Inland Northwest Research Alliance, 151 N.

Ridge Ave., Suite 140, Idaho Falls, ID 83402-4000, USA, tel: 208.524.4800, fax: 208.524.4994, e-mail: gpillay@inra.org. Eight copies of each nomination must be received by the beginning of the spring 2003 meeting.

Henry B. Linford Award

Nominations are now being solicited for the Society's Henry B. Linford Award for Distinguished Teaching. The twelfth presentation of this award will be made at the spring 2004 Society meeting in San Antonio, Texas.

The recipient shall be distinguished for excellence in teaching in subject areas of interest to the Society. The award consists of a silver medal, a wall plaque, and a cash prize at \$2,500.

Nominations for this award must be accompanied by supporting documents such as a biography; list of recent courses taught; list of publications, including any textbooks; professional activities; list of former students and their affiliations; and other appropriate supporting materials. Letters of support by distinguished

colleagues and former students are also encouraged.

To obtain a nomination form, contact the subcommittee chairman or ECS headquarters. Please send eight copies of the nomination form and all documents to: Dennis Evans, University of Delaware, Dept. of Chemistry, Newark, DE 19716, USA, tel: 302.831.6770, fax: 302.831.6335, e-mail: devans@udel.de.

Nominations must be received by April 1, 2003.

Thomas D. Callinan Award

Nominations are solicited for the 2004 Thomas D. Callinan Award, to be presented at the Society's spring 2004 meeting in San Antonio, Texas. This award, established in 1967, is given each year by the Dielectric Science and Technology Division to encourage excellence in research, the publication of quality technical papers, and other outstanding contributions in the field of dielectric sci-

ence and technology. The award, open to both members and nonmembers of the Society, consists of a plaque and \$1,500.

DS&T Division members are urged to give careful consideration to nominating possible candidates for this award. Nominations, accompanied by supporting documents such as a biography, list of publications and patents, and a brief summary of outstanding contributions, should be mailed to the award chairman: D. Misra, Dept. of Electrical and Computer Engineering, New Jersey Institute of Technology, University Heights, Newark, NJ 07102, USA; tel: 973.596.5739, fax: 973.596.5680, e-mail: dmisra@adm.njit.edu.

The deadline for receipt of nominations is May 1, 2003.

Electrodeposition Division Research Award

The Research Award of the Electrodeposition Division, presented annually, recognizes recent outstanding achievement or contribution in the field of electrodeposition. The award, consisting of a scroll and \$2,000 will be given at the fall 2003 Society meeting in Orlando, Florida, to the author or co-authors who have published a paper or papers in one of the Society's publications.

Please submit nominations in a letter detailing the accomplishments of the nominee accompanied by a list of supporting publications with titles to: D. Kolb, University of Ulm, Albert-Einstein-Allee 47, D-89081 Ulm, Germany, e-mail: dieter.kolb@chemie.uni-ulm.de. The nomination deadline is April 1, 2003.

Electronics Division Award

Nominations are now being accepted for the Electronics Division Award, to be presented at the Society's 205th spring 2004 meeting in San Antonio, TX. This award, presented annually, recognizes active members of the Society who have made outstanding scientific contributions and enhanced the stature of the Society by presentation of their work in papers in the *Journal* and at Society meetings.

To be considered for this award, all nominees must be a member of the Society and have authored or coauthored more than one article in the *Journal* and/or presented more than one full paper at a Society meeting within the last

five years. The award consists of a scroll and \$1,500.

Nominations for this award must be accompanied by supporting data, such as a list of publications, patents, activities, and a brief summary outlining the accomplishment on which the award will be based, and should be submitted before September 1, 2003 to the chairman of the Electronics Division award committee: G. Celler, Soitec/USA, 38 Old Oak Drive, Summit, NJ 07901 USA; tel: 908.665.8457, fax: 908.336.0564, e-mail: gceller@soitecusa.com.

Research Award of the Energy Technology Division

The Research Award of the Energy Technology Division was established to encourage excellence in energy-related research and to encourage publication in the *Journal of The Electrochemical Society*. The next award will be presented at the Society's spring 2004 meeting in San Antonio, TX. The award recognizes outstanding contributions to the science and technology of energy-related research areas that include scientific and technological aspects of fossil fuels and alternative energy sources, energy management, and environmental consequences of energy utilization. The Research Award, consisting of a scroll and \$1,500, will be presented at the annual business meeting of ETD during the 2004 spring ECS meeting, at which the winner must deliver an award lecture. Nominations for this award and the appropriate documentation should be forwarded to Prof. James M. Fenton, Department of Chemical Engineering, U-222, 191 Auditorium Road, University of Connecticut, Storrs, CT 06269 USA; tel: 860.486.2490; fax: 860.486.2959. The deadline for receipt of nominations for the 2003 award is August 1, 2003.

David C. Grahame Award

Nominations are now being accepted for the 2005 David C. Grahame Award of the Society's Physical Electrochemistry Division to be presented at the Society's spring 2005 meeting in Quebec City, Canada.

This award recognizes Active Members of the Society who have made outstanding contributions to the field of physical electrochemistry and who have enhanced the scientific stature of the Society by the presentation of well-recognized papers in the *Journal* and at Society meetings.

The recipient will receive a certificate, a stipend of \$1,500, and, if required, financial assistance toward travel expenses to the Society meeting at which the award is presented. The winner of this award will be required to attend the meeting and to present an award lecture in one of the sessions or symposia sponsored by the Physical Electrochemistry Division.

To be eligible for the award, applicants must be Active Members of the Society who have published at least two papers in the *Journal* and have attended a Society meeting within the past five years.

To be considered, nominations must be accompanied by supporting documents, such as a biography, list of publications, professional activities, and a brief summary of the recent outstanding contributions on which the award is based. Letters of support by scientists well recognized in the area of physical electrochemistry will also be considered. Six copies of each nomination should be submitted to the award committee chairman: Bob Osteryoung, North Carolina State University, Dept. of Chemistry 8204, Raleigh, NC 27695-8204, USA; tel: 919.515.5486, e-mail: cherao@chemdept.chem.ncsu.edu. Deadline for receipt of nominations is October 1, 2003. ■
