ECS Division Awards

The BATTERY DIVISION YOUNG FACULTY TRAVEL GRANTS

program was established in 2006 to recognize promising young faculty members at colleges and universities engaged in research in the science and engineering of electrochemical energy storage and conversion. The grants are intended to help defray the costs of travel, lodging, meeting registration, and subsistence for young faculty to present a paper orally at a meeting sponsored or cosponsored by the Battery Division. The grants are given only when sufficient funding is available and qualified applicants can be identified. The grants are given for a single meeting. The recipients will receive a check in an amount not exceeding \$1,000 payable to the recipient at the time of the meeting, a waiver of registration for that meeting, and a one-year ECS membership. The recipient must attend the meeting and give his/her oral presentation to receive the grant.

Applications and supporting documents should be sent to Bor Yann Liaw, Hawaii Natural Energy Institute, School of Ocean and Earth Science and Technology, University of Hawaii, 1680 East-West Road, POST 109, Honolulu, Hawaii, 96822, USA; fax: 1.808.956.2336; e-mail: bliaw@hawaii.edu.
