

Awarded Membership Application

ECS Divisions are offering Awarded Student Memberships to qualified full time students. To be eligible, students must be in their final two years of an undergraduate program or be enrolled in a graduate program in science, engineering, or education (with a science or engineering degree). Postdoctoral students are not eligible. Awarded memberships are renewable for up to four years; applicants must reapply each year. Memberships include article pack access to the *Journal of The Electrochemical Society* (1930-present), *ECS Journal of Solid- State Science and Technology* (2012), *ECS Electrochemistry Letters* (2012), *ECS Solid-State Letters* (2012), *ECS Transactions* (2005-present), and *Electrochemical and Solid-State Letters* (1998-2012). Unlimited electronic access to *Interface* magazine and ECS Meeting Abstracts (2005-present).
