Nominations should be submitted before March 15, 2003 to the Student Research Award committee chairman: John Weidner, Center for

Electrochemical Engineering, University of South Carolina, Swearingen Engineering Center, Columbia, SC 29208, USA; tel: 803.777.3207, fax: 803.777.8265, or e-mail: weidner@engr.sc.edu.

Student Travel Grants

Several of the Society's Divisions offer travel assistance to students presenting papers at Society meetings. These travel grants are intended to aid students in attending the meeting. For additional information and an online application form refer to the ECS website at: www.electrochem.org/student/travelgrants.htm. **To be eligible for a grant**, applicants must be scheduled to present a paper in a symposium or ses-

sion sponsored or cosponsored by the Division to which the application is made. For a complete list of symposia and how to submit a paper, please visit www.electrochem.org/meetings/203/cfp.pdf. To apply for a travel grant, use the application form below.

Application Requirements—All applications for the 203rd meeting in Paris, France, April 27-May 2, 2003, must be received no later than March 1, 2003. To apply for travel support, please complete the Student Travel Grant form below, return it with a letter of recommendation from a faculty advisor, and a copy of the meeting abstract. Travel grants range from \$250-\$750 depending on the student's estimated expenses and the funds available from the Divisions. ■

The Electrochemical Society Travel Grant Application

The Society's **Corrosion, Dielectric Science and Technology (DS&T), Electrodeposition, Electronics, Energy Technology, High Temperature Materials (HTM), and Physical Electrochemistry Divisions** offer travel grants to students presenting papers at the Society's next meeting, in Paris, France, April 27-May 2, 2003. To apply, complete this application and send it along with a copy of your transcript and a letter from an involved faculty member attesting both to the quality of the student's work and financial needs, and a copy of the student's meeting abstract. For additional information and an online application form refer to the ECS website at www.electrochem.org/student/travelgrants.htm. (*Preference for travel allocation grants will be given to ECS Student Members.*)
