THE BENEFITS OF MEMBERSHIP CAN BE YOURS!

Join now for exceptional discounts on all ECS publications,
page charges, meetings, and short courses.

- **Journal of The Electrochemical Society**—ECS membership includes access to this top-quality, peer-reviewed monthly publication. Each issue includes more than 70 original papers selected by a prestigious editorial board on topics covering both electrochemical and solid-state science & technology. Papers are published as available at scitation.aip.org/JES.

- **Electrochemical and Solid-State Letters**—ECS's rapid-publication, electronic journal. Papers are published as available at scitation.aip.org/ESL. Access to this peer-reviewed journal, also a member benefit, covers the leading edge in research and development in all fields of interest to ECS. It is a joint publication of the ECS and the IEEE Electron Devices Society.

- **Interface, the ECS Members' Magazine**—ECS members also receive *Interface*, a quarterly publication which features topical scientific articles, news about people and events, and announcements of upcoming meetings.

- **Professional Development and Education**—Exchange technical ideas and advances at ECS's two comprehensive meetings in the spring and fall of each year, or through the programs of 23 sections in Brazil, Canada, Europe, Japan, Korea, and the United States.

- **Discounts on Meetings and Publications**—Keep aware of pertinent scientific and technological advances through a variety of ECS publications, including proceedings volumes, meeting abstracts, and monograph volumes.

- **Honors and Awards Program**—Recognize the accomplishments of your peers through the Honors and Awards Program, which includes over two dozen Society, Division, Group, and Section awards and the distinguished ECS Fellow designation.

- **Career Center**—Includes an online database for posting resumes as well as a job bank for prospective employers to post job openings. There's a discussion forum and many services for student members.
