

ECS Institutional Members (Number in parentheses indicates years of membership)

The Electrochemical Society values the support of our institutional members. Institutional members help ECS support scientific education, sustainability and innovation. ECS recognizes their incredible work and generosity. Through ongoing partnership, ECS will continue to lead as the advocate, guardian, and facilitator of electrochemical and solid state science and technology.

Visionary

AMETEK – Scientific Instruments (33) *Oak Ridge, TN, USA*

Benefactor

Asahi Kasei E-Materials Corporation (6) *Chiyoda-Ku, Japan*

Bio-Logic USA *Knoxville, TN, USA*, **Bio-Logic SAS (6)** *Claix, France*

Duracell (57) *Bethel, CT, USA*

Gamry Instruments (7) *Warminster, PA, USA*

Gelest Inc. (5) *Morrisville, PA, USA*

Hydro-Québec (7) *Varennes, Canada*

Industrie De Nora S.p.A. (31) *Milano, Italy*

Metrohm Autolab, *Utrecht, Netherlands*, **Metrohm USA (8)** *Westbury, NY, USA*

Saft Batteries, Specialty Battery Group (32) *Cockeysville, MD, USA*

Scribner Associates Inc. (18) *Southern Pines, NC, USA*

Patron

El-Cell (1) *Hamburg, Germany*

Energizer (69) *Westlake, OH, USA*

Faraday Technology, Inc. (8) *Clayton, OH, USA*

IBM Corporation (57) *Yorktown Heights, NY, USA*

Lawrence Berkeley National Lab (10) *Berkeley, CA, USA*

Panasonic Corporation (7) *Osaka, Japan*

Pine Research Instrumentation (8) *Durham, NC, USA*

Toyota Research Institute of North America (8)
Ann Arbor, MI, USA

Sponsoring

AxiAll Corporation (19) *Monroeville, PA, USA*

Central Electrochemical Research Institute (21) *Tamilnadu, India*

C. Uyemura & Co., Ltd. (18) *Osaka, Japan*

EaglePicher Technologies, LLC (7) *Joplin, MO, USA*

Electrosynthesis Company, Inc. (18) *Lancaster, NY, USA*

Ford Motor Company (1) *Dearborn, MI, USA*

GS-Yuasa International Ltd. (34) *Kyoto, Japan*

Honda R&D Co., Ltd. (7) *Töcbigi, Japan*

Medtronic, Inc. (34) *Minneapolis, MN, USA*

Next Energy EWE – Forschungszentrum (6) *Oldenburg, Germany*

Nissan Motor Co., Ltd. (7) *Yokosuka, Japan*

Permascand AB (11) *Ljungaverk, Sweden*

Quallion, LLC (14) *Sylmar, CA, USA*

TDK Corporation, Device Development Center (21) *Narita, Japan*

Technic, Inc. (18) *Providence, RI, USA*

Teledyne Energy Systems, Inc. (15) *Sparks, MD, USA*

Tianjin Battery Joint-Stock Co., Ltd (1) *Tianjin, China*

TIMCAL Ltd. (27) *Bodio, Switzerland*

Toyota Central R&D Labs., Inc. (34) *Nagoya, Japan*

Yeager Center for Electrochemical Sciences (16) *Cleveland, OH*

ZSW (10) *Ulm, Germany*

Sustaining

3M Company (25) *St. Paul, MN, USA*

Co-Operative Plating Company, (3) *St. Paul, MN, USA*

General Motors Research Laboratories (62) *Warren, MI, USA*

Giner, Inc./GES (27) *Auburndale, MA, USA*

International Lead Zinc Research Organization (35) *Durham, NC, USA*

Johnson Controls Advanced Power Solutions GmbH (30)
Amtsgericht, Hannover, Germany

Kanto Chemical Co., Inc., (2) *Soka City, Saitama, Japan*

Leclanche SA (29) *Yverdon, Switzerland*

Los Alamos National Laboratory (6) *Los Alamos, NM, USA*

Mitsubishi Heavy Industries, Ltd. (1) *Nagasaki, Japan*

Occidental Chemical Corporation (72) *Dallas, TX, USA*

Reagent (2) *Runcorn, Cheshire, England*

Sandia National Labs (38) *Albuquerque, NM, USA*

SanDisk (1) *Tokyo, Japan*

SolviCore GmbH & Co. KG (1) *Hanau-Wolfgang, Germany*

Please help us continue the vital work of ECS by joining as an institutional member today. To join or discuss institutional membership options please contact Dan Fattou, Director of Development, at 609.737.1902 ext. 115 or dan.fattou@electrochem.org.
