

ECS Outstanding Student Chapter Nomination Form

Established in 2012, this award recognizes an outstanding ECS Student Chapter.

This nomination form and supporting documentation must be uploaded to the online awards submission system at www.electrochem.org/submitaward.

1. Summarize your chapter's past year and plans for next year including community involvement and activities geared toward promoting electrochemical and solid state sciences. Documentation validating these activities including newspaper articles, photos, letters of thanks, etc. should be uploaded to "Additional Documents" under "Documents" in the online award submission system.

2. Copies of chapter activity (articles/photos) submitted to *Interface* should be uploaded to "Additional Documents" under "Documents" in the online award submission system. Four per year is recommended.

3. List student members from previous and current years.

4. Provide complete citations for articles in ECS publications authored by student chapter members.

5. Provide complete citations for paper/poster abstracts submitted and accepted for presentation at an ECS Biannual meeting or ECS Satellite Conference. Please provide the name of the student that presented the paper or poster. Only papers or posters physically presented by students will be considered.

Please save this nomination form. All supporting materials should be submitted in English using the online awards submission system www.electrochem.org/submitaward. Select "Student Awards" under "Award Type" and then select "ECS Outstanding Student Chapter" from the dropdown menu.

For questions, please e-mail membership@electrochem.org.
