E-mail address

**8. Self-nomination letter**—In a separate document, please briefly state your educational objectives and specify your vocational interests and the course of training planned to achieve your goal. This information must be saved in PDF format and be **no longer than 250 words**. Upload to “Nomination Letter” under “Documents” in the online award submission system.

**9. Additional documentation**—In a separate document, give a brief statement of your thesis research problem including objectives, work already accomplished, and work planned for the summer. It is important that the project that will be completed during the period of the fellowship is clearly identified. Also, please indicate why you believe your research should be of interest to ECS. This information must be saved in PDF format and be **no longer than 5,000 words**. Upload to “Additional Documents” under “Documents” in the online award submission system.

Please save this nomination form. All supporting materials should be submitted in English using the online awards submission system at [www.electrochem.org/submitaward](http://www.electrochem.org/submitaward). Select “Society Awards” under “Award Type” and then select “ECS Summer Fellowship” from the pull-down menu.

***NOTE: The awards submission system is used for multiple awards. You may enter "N/A" or "Not Applicable" into any field that is not required by this specific application.***

For questions, please e-mail [awards@electrochem.org](mailto:awards@electrochem.org).

DEADLINE FOR RECEIPT OF COMPLETED APPLICATIONS AND SUPPORTING MATERIAL IS **JANUARY 15**.
